

# Bridges at The Shores

## The Connection to Peace and Hope

United Methodist Communities at The Shores welcomes you to Bridges, an assisted living neighborhood dedicated to hospice care, allowing anyone with life-limiting illnesses to remain comfortable in familiar surroundings, supported by family and friends. Bridges' nurturing atmosphere provides a personalized experience with advanced therapies and emotional support.

## Compassionately Serving So That All May Have Abundant Life

At United Methodist Communities at The Shores we are dedicated to compassionately serving older adults at every stage of their lives. When you choose The Shores and our parent organization, United Methodist Communities, you are joining a family that has specialized in senior lifestyles for over a century. United Methodist Communities at The Shores combination of humanity and vitality form the foundation for an abundant life.
